Floral City Elementary School’s SAC is selected through a ballot process. Meetings are led by Principal, Tara Wells and Melanie Howard, Assistant Principal. Agendas are created to keep the meetings orderly. Individuals to serve on SAC are nominated and upon accepting the nomination, a ballot is shared for voting. Parents are invited to attend quarterly SAC meetings which include the following agenda items: review of school improvement initiatives, information about events occurring throughout the school and around the community, data and budget updates, and reports from students, staff, board members, central office administrators, and community members. Prior to a scheduled SAC meeting, the minutes from the previous meeting are shared and input from the committee is collected. Following each quarterly meeting, stakeholders are encouraged to provide feedback either in person or in written form (i.e. email).

Using Parent Surveys, comments are collected at the end of the year on the year’s events along with an option to leave input to improve where needed. Survey information is reviewed and shared with staff members.

No homework for any grade level!!! The children are at school long enough, and they definitely don't want to do homework when they get home. Homework will also sometimes cause arguments with the child. Which no patents want after their own long day.

Q28

What do you like best about our school?

Answered: 19    Skipped: 11

Administration makes it a priority to familiarize themselves with each student and establish a relationship with students and parents. The staff/administration/SRO are very easy to communicate with and take the time to address concerns immediately. There is a definite feeling of "family" in the school and that is comforting in a time when schools have become potentially dangerous places to leave our children.
It reminds me of the elementary school I went to as a child, filled with teachers and staff that’s care and engage with kids on all levels.

I like that the principle and assistant principle stay involved with the students.

Let's start a program to address the items thrown in trash (unopened milk, juice, pudding, etc),

For the vice principal to have a smile on her face more often. She looks like she is an unhappy person
